

## PRESS RELEASE

Berlin, 22.10.2012

### **A COMPANY CONSULTING & LICENSING AG is now A COMPANY FILMED ENTERTAINMENT AG**

#### **CLOUD ATLAS in Russia & Eastern Europe**

November 1<sup>st</sup>, the European Premiere of CLOUD ATLAS will be celebrated in Moscow. The three directors Lana Wachowski, Tom Tykwer and Andy Wachowski, together with Halle Berry, Hugo Weaving and Donna Bae, will join the event. CLOUD ATLAS will be released by A COMPANY RUSSIA in close cooperation with 20th Century Fox Russia. Simultaneously with Russia, the film will be released in the Ukraine by B&H and, on November 9, in Bulgaria by Alexandra Films and Poland through KinoSwiat, market leader distributors in each of the territories. In Hungary, the Czech Republic and Slovakia, the film will hit the screens November 22, released respectively by Budapest Film and EEAP CZ-SK, both subsidiaries of A COMPANY.

CLOUD ATLAS is the first title that A COMPANY RUSSIA will bring onto screens in Russia. Til Schweiger's current hit GUARDIANS will follow next year, January 10, with Renny Harlin's new feature DYATLOV PASS INCIDENT, February 23. DYATLOV PASS is produced by Alexander Rodnyansky's company A.R. Films - a suspense thriller based on an actual mysterious incident which occurred in Russia's remote Dyatlov Pass in 1959.

"It's exciting and thrilling to have such an impressive masterpiece as CLOUD ATLAS as the first film being released by A COMPANY RUSSIA. The cooperation with 20<sup>th</sup> Century Fox, who are handling the bookings, is fantastic. The film will be released on over 1.400 screens, thanks to Fox. With the incredible support of our partner Alexander Rodnyansky and his team at A.R. Films, A COMPANY succeeds to take an important step forward, establishing itself as an independent distributor in one of the biggest cinema markets of the world", says Alexander van Dülmen, CEO of A COMPANY FILMED ENTERTAINMENT AG.

During an extraordinary shareholder meeting October 22<sup>nd</sup> it was decided to change A COMPANY CONSULTING & LICENSING AG to A COMPANY FILMED ENTERTAINMENT AG.

A COMPANY is one of the leading independent film license trading companies in Central and Eastern Europe and the CIS. The company has a library of over 400 films released through its wholly owned subsidiaries in Russia, Hungary, Czech and Slovakia, and via partners in the rest of the region. As a co-producer, A COMPANY is also active in German and International film productions such as MEASURING THE WORLD, releasing in Germany, October 25; RUN BOY RUN, currently in production; alongside the upcoming, CLOUD ATLAS with domestic release this week October 26.
